UP TO PLEASURE

WALDSEILPARK

K1

FRÖHNERHOF

A wonderful piece of nature, healthy trees, a few loads of building wood, many meters of steel and the enthusiasm you bring along – these are the “ingredients” for this attraction in the

Palatinate Forest: At the K1 High Ropes Course Fröhnerhof you can discover for yourself the purest joy of climbing! Our courses consist of exercises which make the way from one platform to the next a genuine adventure, with obstacles made from cables, swings, rope bridges and wooden bridges.

CLIMBING FUN FOR EVERYBODY

Alpine safety equipment makes it possible: you, too, can balance, slide and climb high up among the tree tops in the K1 High Ropes Course Fröhnerhof! A fascinating experience for everyone – from schoolchild to sports climber. The different grades of difficulty on the courses take care of that, offering exactly the right challenge for every demand.

K1 – THE IDEAL DESTINATION FOR

- * Family tours
- * School trips
- * Team-Events
- * Club and company excursions
- * Birthday parties

... and of course also for you!

UP THE TREES * CLIMBING * FUN!

NO RISK. MORE FUN!

Of course everything is focused on the safety of the visitor to the K1 High Ropes Course, day by day:

- * **Construction certified by the Technical Supervision Association (TÜV)**
- * **Alpine safety equipment**
- * **Clear safety regulations**
- * **Qualified safety instructors**
- * **Introductory course (obligatory)**
- * **Permanent supervision**

When you finally climb the course, you are optimally equipped and prepared. Of course, you will climb under the watchful eyes of our team, who observe from the ground whether all our visitors are following the safety regulations and whether anyone needs help.

K1 KICK-OFF: STRONG MOMENTUM FOR SUCCESSFUL TEAMS

Kick-off, is an educational program for team-building. We developed it in cooperation with the University of Kaiserslautern and it is designed, so a great variety of groups can profit from it: We offer activity programs ranging from incentive events for corporations as well as adventure-based learning for schools and even target-oriented management trainings.
